MANAKAS Furs is synonymous with fine, high-quality products, that are made using the finest, natural, sustainable, and certified materials ensuring animal welfare and environmental standards. For over four generations, we have been shaping and influencing the fashion world with our exclusive designs, our attention to detail, and a high level of crafts skill that we put into making our unique Manakas garments.

For four generations, GRAVAS has been a leading actor in the manufacture of fur garments and accessories. The company's dedication to quality makes it one of the most important and fast-growing fur fashion brand, whose reputation expands beyond the Greek borders, reaching worldwide recognition. The headquarters are located in Dispilio, near Kastoria, in a privately owned 3.500 m2 facility which includes all the operative departments: management, production, creative and show-rooms

Presenting a high-quality collection of tops and blouses, using high quality poplin and piques made in organic cotton. The production can be quite flexible catering for clients demands. It reflects modern, up to date trends plus the added spice of typical local cross-stitch embroidery or powerful abstract, individualized prints or a mix of both. The stand-alone tops (plain) are just as provocative as they are practical
